2025.villanueva.jake@gmail.com
DASMARIÑAS CITY, PHILIPPINES

A motivated BSIT student seeking On-The-Job opportunities where I can apply my skills in Java, SQL, and web development while supporting real IT operations and gaining industry experience.

TECHNICAL SKILLS

Programming: Java, C#, PHP, JavaScript

Web: HTML, CSS, Bootstrap

Database: SQL

Framework and Tools: LibGDX, CodeIgniter 4, ASP.NET, Git (version control), XAMPP, Visual Studio, VSCode, Netbeans

Soft Skills: Communication, teamwork, troubleshooting, time management, documentation

CERTIFICATION

- **System Administration** – STI College Dasmarinas (2023)
- **Java Fundamentals** – STI College Dasmarinas (2023)
- **Skills to Succeed** – Accenture/STI College Dasmarinas (2025)

EDUCATION

2022 – present

Bachelor of Science in Information Technology

STI College Dasmariñas

PROJECTS

Library Management System (08/2024 - 12/2024)

- Implemented barcode scanning using a physical USB scanner to automate borrowing processes.
- Developed an email notification module using SMTP for simulating due date alerts.

(Tech: C#, SQL)

Reservation System (8/2023 - 12/2023)

- Built an automated email notification module to confirm reservations and send reminders.
- Designed a live transaction simulation between desktop application and web version to mimic real-world booking systems.

(Tech: PHP, CodeIgniter, Bootstrap, SQL, Java)

Core Bringer - A Java Learning Roguelike Game (6/2025 - present)

- Integrated an external Java interpreter (JShell) allowing players to write Java code inside the game.
- Designed turn-based, card-based mechanics that teach programming concepts through gameplay.

(Tech: Java, LibGDX)
